

# My SEMD SUCCESS CONTRACT

*“The only guarantee for failure is to stop trying.” — John C. Maxwell*

**Success is mine if I claim it. With this success contract, I, \_\_\_[Name]\_\_\_, commit to the following success strategies to achieve the rank of Senior Executive Marketing Director:**

- [ ] I commit to getting active each month with at least a 100 QV autoship, plus the additional QV required to hit my monthly rank for at least 24 months.
- [ ] I commit to being coachable. I will lean into my upline and “stay in the lane” without trying to create my own system for at least 24 months.
- [ ] I commit to personal development for at least 24 months, and I will feed my mind and attitude by reading positive books, listening to audio training, and participating in team calls (such as the Blazer-Bound Book Club call, the Hair on Fire call, the Daily Dose call, etc.).
- [ ] I commit to using 3-way calls before enrolling new distributors so that I’m setting the right (duplicatable) example and I’m acting as the messenger instead of the message for at least 24 months.
- [ ] I commit to treating my business like a business and will focus on building income-producing skills and habits for at least 24 months.
- [ ] I commit to taking steps each day to move my business forward for at least 24 months. This could include networking / growing my active candidate list, sharing my Youngevity story, inviting people to hear the message, following up with prospects, sponsoring someone new, attending a training call/event/webinar, or mentoring my own team.
- [ ] I commit to plugging into Youngevity activities weekly (such as the Team Huddle call, local events, or other calls/webinars offered by my upline) for at least months.
- [ ] I commit to doing whatever it takes to hit SEMD!
